

# Rhythm and Timing Challenge

## Week 5: Mixed Metre

Luke Thatcher

### Notes and Counting

1 2 3 1 2 1 2 3 4 5 1

### Demo

1 - 2 3 - 4 5 (6) 7 1 2 - 4 (5) 6 1 1 2 - 3

### Quiz

"Common Time" means the same as 4/4

### Instructions:

1. Write in the counts above the notes. The rests are written in parentheses, please see example.
2. Clap the rhythm and count the beats out loud. Always use a metronome.
3. Play the quiz on your instrument with a metronome. Alternate your hands if you are a percussionist or pick any note if you play a wind, brass, or string instrument.
4. Record your performance and send your teacher a link to the video for review.

### Difficulty Levels:

Apprentice: ♩ = 70 - 120

Journeyman: ♩ = 120 - 150

Master: ♩ = 150 +
